Scaling-up of Togo Cooperatives

Union of Agricultural product processors cooperatives in Togo. 39 agricultural cooperatives bringing together 676 producers working nationwide to process local products.

The organization also manages 3 boutiques where they sell the products of associated cooperatives members. It is also part of the European project PROCAT for strengthening the pineapple supply chain.

Strengthening plan for the cooperative sector (in alignment with the Ministry of Agriculture in Togo)

MIFA

Programme *Mecanisme Incitatif de
Financement Agricole* - MIFA

Intervention programme to strengthen
the system of cooperatives at the
national level, implemented in
partnership with Togolese organisations
and institutions.

**Objectives: structuring the cooperative system, capacity building, market
and finance access**

COTPAT

Scaling-up CAFTIS

Company engaged in traditional cloths and fabrics production in Dapaong, capital of the Savanes Region and headquarters of the Tone prefecture. The cooperative brings together more than 900 producers, about 80% of whom are women, and organises the training of young apprentices, allowing them to acquire the Certificat de Fin d'Apprentissage.

Objectives:

CAFTIS - textile and fashion

To strengthen cooperative and membership weavers' technical capabilities

To improve profitability and employment opportunities for the cooperative and weavers members.

To improve CAFTIS access to the market and preserve traditional weaving techniques
