FARMERS**

BYCU coffee farmers' scaling-up:  
it comprises 12 cooperatives of  
Hareenna Coffee producers located  
in the Delo Mena region, Ethiopia.

- Maintenance of grade 2 quality coffee
- Increase production
- Support to export

This initiative follows a 4 years project, implemented by an AICS/UNIDO Programme, with the aim of supporting coffee supply chain as an instrument for socio-economic development.

Since 2021, Fondazione Aurora supports the coffee farmers to consolidate the production and export of Hareenna quality coffee.
