Fort School

E-learning platform to promote access to public education

Kenya

Partners: Fort Sort Innovations

Fort School -
increasing
access to public
education

Kenya

with
Fort Sort
Innovations

Fort School is an an
extensive community of students,
iconic teachers and schools across
the country.

The platform provides
quality learning material based on
the **national educational program**,
covering different levels of study
from Primary School to High School
education.

Goals

**Fort School -
increasing
access to public
education**

Kenya

**with
Fort Sort
Innovations**

- To contribute to ensure inclusive and equitable quality education and promote lifelong learning opportunities for all (SDG 4)
- To consolidate the e-learning platform
- To increase the subscriptions and user traffic and the learning content (pre-recorded videos, live classes, quizzes, Q&As) uploaded by teachers
- To involve institutional partners and investors
